WORK EXPERIENCE

Web Development Intern

Oasis Infobyte | 07-2023 - 08-2023 | Remote

- I've shown my knack for web development skills through the successful execution of several projects, such as landing page, portfolio, temperature converter and various other web-based initiatives.
- I used web tools like HTML, CSS, and JavaScript to make sure these projects not only look good but also do what users want and provide an outstanding user experience.

Python Development Intern

TechnoHacks | 08-2023 - 09-2023 | Remote

- I've proven my skills in Python by successfully finishing various projects like tic-tac-toe, rock-paper-scissors, and a basic calculator, among others. Using Python tools, I created projects that matched user needs, making sure they had a great experience interacting with them.

Web Development Intern

TechnoHacks | 07-2023 - 08-2023 | Remote

- Demonstrated proficiency in web development by successfully completing a range of projects, which encompass the development of a login form, basic calculator, registration form, and various other web-based tasks.
